Re: United States v. David Olivier 08-CR-263(DAB)

Dear Judge Batts:

My client David Olivier is presently released on a bond that restricts him to his home and requires him to wear a monitoring device. He is permitted to travel to and from work and attend his therapy appointments. His travel for work is limited to the Southern and Eastern Districts of New York and New Jersey.

Mr. Olivier is the Managing Principle of Olivier and Associates (O & A). O & A offers consulting services in the areas of sales, use, and tax matters. The firm has recently been retained by Legacy Steel Fabricators, LLC, a steel company located in Salt Lake City, Utah. In order to properly serve the client, Mr. Olivier is requesting that he be allowed to travel to Salt Lake City and spend approximately two to three days on site at the company headquarters. Although the dates of travel have not been set, he would expect to travel some time in June. Mr. Olivier would be able to give Pre Trail Services least 10 notice of the trip as well as providing a detailed itinerary of his travel. He would not be in contact with any children during his trip.

In addition, O&A has a company barbeque scheduled for July 19, 2008. The event is to be held at the home of another employee, Mark Stone located at 11 Heller Court, Dix Hills, New York. Mr. Olivier is also requesting permission to attend this event.

I have discussed this matter with Assistant United States Attorney Telemachus Kasulis and

he has no objection to this request. Accordingly I am requesting that Mr. Olivier's bond restrictions be modified to allow the above travel.

Respectfully yours,
